Do You Suffer With Stomach Trouble DISCOLAX

These genuine, improved calomel tablets give immediate relief. Won't make you sick or cause nausea. Only 25 cents a box. Ask your Druggist.

WORK OF MISS KELLEY HIGHLY COMMENDED

Former Secretary to President of University of Chattanooga Goes to Philadelphia.

Miss Meta Kelley, assistant treasurer of the University of Chattanooga, a position she recently resigned, leaves Wednesday for Philadelphia, where she will make her future home. Miss Kelley came to Chattanooga eight years ago to accept this position, and her work had been so satisfactory that she was re-elected annually to the position. In addition to her work as private secretary, Miss Kelley kept the books of the current funds and looked after other financial matters of the university. Her work has increased greatly since she assumed the position, and the efficient manner in which she discharged all of these duties won the confidence of the board of trustees, and it was with great reluctance that they accepted her resignation. They each, especially C. W. Whitland, treasurer, paid her a very high tribute, expressive of their appreciation for her work and commending her highly on the efficient service she had rendered the institution during her eight years of service.

Miss Kelley, during her residence in Chattanooga, has endeared herself to a large circle of friends by her charming personality, who regret to see her leave. She will make her home in Philadelphia with her aunt.

POEM, "OFF FOR FRANCE," WRITTEN BY CAROLINE

Mrs. Mary Jasper Willis, dean of the Montreat Normal school, Montreat, N. C., who has a number of friends in this city, has produced two patriotic poems which have elicited much admiration. One, "The Answer," published in the Asheville Citizen, received favorable recognition from the White House, the answer being from the mothers of America to President Wilson. The other poem, "Off for France," was recently published in the Arkansas Gazette. The latter poem follows:

MR. AND MRS. W. T. IVY ENTERTAIN WITH HOUSE PARTY

Mr. and Mrs. W. T. Ivy are entertaining with a house party this week at their summer home at Wright's Mineral Springs. Mr. and Mrs. Ivy will entertain with a dancing party Wednesday evening for their guests. A number of Chattanoogaans will motor there for the occasion.

The Ladies' Aid society, of the East

NEW BUILDING AT CRITTENTON HOME WILL BE COMPLETED BY JULY 1

Work on the new building at the Crittenton home is progressing with no drawback. The management expects to have it in by July 1. It is built on the plan of the cantonment buildings, but will be plastered and made comfortable for the winter. The dining room, kitchen and pantry will be in the new building. In one wing there will be a shower and tub baths, also the laundry. The Junior league gave the home the equipment for an electrical laundry a year ago, and this will be installed. At the other end will be a nursery and a large sleeping porch. A diet kitchen for the babies will also be provided, and a dormitory for the girl mothers. Upstairs a long work room will have looping machines placed there by the Richmond Hosiery mills, where the girls can take an apprentice course in that line of mill work. This building is being erected between the two buildings already on the place, one a nine-room and the other a seven-room house. The nine-room house is really the administration building and home for young girls. The Junior league has recently given the home \$200 with which to furnish the living room in this building. It is provided with large double rooms for this purpose. Electric lights will soon be installed. A hen house is being built and a poultry yard arranged. This was the gift of some of the members of the Rotary club. Six hens have been donated, and plenty of poultry food promised. A pig has also been given. Mrs. Joseph Brown, the president, says they would be grateful for more pigs. She also says so many things have already been given them by a generous-hearted public, and that almost every day there are new surprises for them. A school will be conducted in the nine-room building, or the main one that was already there. Miss Mamie Bright has accepted the chairmanship of the educational department, and will select a suitable teacher. A fine new canner has also been given, and the canning will be conducted this summer under the direction of Mrs. J. B. Lauderbach. The plowing was done by the county force free of charge, and the garden is considered to be doing well considering the fact that it was planted very late, and has suffered for want of rain.

U. OF C. SORORITY HONORS MRS. GRIFFIN

The Phi Tau Delta sorority of the University of Chattanooga entertained Monday afternoon at the clubrooms in honor of Mrs. J. A. Griffin, a recent bride. Mrs. Griffin was formerly Miss Helen Ingers.

Purple and gold, the sorority colors, combined with yellow flowers, were used in decorating. The affair was in the nature of a miscellaneous shower. The bride was given a letter, which directed her to a cozy corner. Here she found another letter which directed her to still another nook. Finally at the end of a hide-and-seek game the bride discovered a large white box tied with white ribbons. This contained many beautiful gifts. Tea and sandwiches were served. The guests numbered twelve.

DR. E. M. HARRISON PROMOTED TO MAJOR

Dr. E. M. Harrison, formerly of this city, but now with the national army stationed at Camp Sevier, Greenville, S. C., has been promoted to major. Dr. Harrison gave up his practice here about one year ago and entered the service at first lieutenant. As a young medical student he graduated from the Chattanooga Medical college, having been awarded the gold medal of his class. Later, when he decided to devote himself to profession in Chattanooga, he built up a good practice and many friends, who will be interested in hearing of his promotion.

CAPT. SHELTON TELLS OF FRENCH DOORYARD

Capt. Harold Shelton has written to his father, W. C. Shelton, from a city in France, in which he devotes space to a description of the beauties of the place. The houses are all of concrete, built with red-tiled roofs, and nestled in an abundance of greenery. Everywhere are beautiful trees, shrubbery and lawns, with no waste ground and no wooden structures. Every-

where are high stone walls. In the back yard of a home he visited recently was a miniature lake with swan and boat houses. He said it was the most beautiful spot he had ever seen.

KNOXVILLE NURSES TO SAIL FOR FRANCE

Mrs. N. E. Logan, a Knoxville Red Cross worker, who has been accepted for service in France, will leave Wednesday for New York city. Miss Anna McGhee Sanford left Sunday on a similar mission. The date and place of sailing will not be announced, according to the usual rules governing the sailing of vessels, but it is understood that Mrs. Logan and Miss Sanford will be sent to France at the first opportunity. They are to go in the same unit.

CHILDREN'S CLASSES FORMED BY MRS. AUGUST SCHMIDT

Mrs. August Schmidt announces the forming of new classes in the Fletcher Music Method, to begin the first week in July. There are open places in the class for children about 8 years of age. The classes will begin July 3. "Phone 6173. Studio 514 Houston street.—(Adv.)

BUSINESS WOMEN'S CIRCLE TO MEET THIS EVENING

The Young Business Women's circle No. 15 will meet Tuesday evening at 6:15 in the ladies' parlor of the First Baptist church. A light lunch will be served promptly at 6:30, after which a business session will be held. Miss Allie Hunt, the president, will preside.

The Highland Park Methodist church will entertain with a musical the latter part of next week.

You May Find It In Stocking

Cincinnati authority says your troublesome corns just loosen and fall off

Sore corns, hard corns, soft corns or corns between the toes just loosen in their sockets and fall off the next day if you will apply directly upon the corn a few drops of a drug called freezone. You merely put a drop or two of this freezone on the tender, touchy corn today and instantly the corn stops hurting, then tomorrow sometime you may find the old torturous nest somewhere in your stocking, having fallen off entirely without a particle of soreness, pain or irritation. The skin surrounding and beneath the former corn will be as healthy, pink and smooth as the palm of your hand. A quarter ounce of freezone is sufficient to rid one's feet of every corn and callus, and any druggist will charge but a few cents for it. It is a compound made from ether.—(Adv.)

FEDERATION REPORTS IN PRINTED FORM

Resolutions Passed at Biennial of General Interest and Broad in Scope.

The General Federation Magazine, issued by the General Federation of Woman's clubs, is just out, and contains a resume of the resolutions passed at the biennial convention held this spring at Hot Springs, Ark.

Resolution I.—Would secure the enactment of a national war-time prohibition of the liquor traffic before July 4.

Resolution II.—Prays for the passage of the federal suffrage amendment.

Resolution III.—Prays for greater advancement in art in this country.

Resolution IV.—For the Americanization of all residents of the United States.

Resolution V.—Compulsory training for citizenship.

Resolution VI.—Rigid censorship of moving pictures.

Resolution VII.—Execrates the film "Enlighten The Daughter" as bad and misleading.

Resolution VIII.—Recommends vocational training for public service.

Resolution IX.—Indorses the McKellar bill favoring a civil service retirement law.

Resolution X.—Recommends woman power organized for food production.

Resolution XI.—Prays for a more comprehensive system on nature study in schools.

The next four or five relate to na-

tional parks and the succeeding to home economics and food conservation. Resolution XXII.—Would banish the wearing of mourning. Dress reform and prison reform, child welfare, sanitation, employment of women physicals in the army, military rank for army nurses are incorporated in succeeding resolutions while the next resolution XXXI. asks the repeal of the postal zone law on magazines as detrimental to the interests of education. The resolutions represent the voice of 6,000,000 women.

TRAIN YOUR HAIR AS AN ACTRESS DOES

No class of people devotes as much time to beauty as do actresses, and no class must be more careful to retain and develop their charms. Inquiry develops the information that in hair care they find it dangerous to shampoo with any makeshift hair cleanser. The majority say that to have the best hair wash and scalp stimulator at a cost of about three cents, one need only get a package of Canthrox from your druggist; dissolve a teaspoonful in a cup of hot water and your shampoo is ready. This makes enough shampoo liquid to apply to all the hair instead of just the top of the head. After its use the hair dries rapidly, with uniform color. Dandruff, excess oil and dirt are quickly dissolved and entirely disappear when you rinse the hair. After this your hair will be so fluffy it will look much heavier than it is. Its luster and softness will delight you, while the stimulated scalp gains the health which insures hair growth.—(Adv.)
